TITLE : BEAUTY PACK

ABSTRACT : PURPOSE: To provide a paste for beauty pack having improved beauty effect by increasing the transcutaneous absorption and permeation power and to provide a means for the application of the pack.

CONSTITUTION: The absorption power and beauty effect of an active beauty component consisting of collagen can remarkably be improved by including chitosan together with the collagen in a paste used as a medium. The paste is applied to a face-covering mask sheet and used as a sheet for beauty pack.
